Elementary Teacher Opportunity

St. Stephen's Episcopal School in Wimberley is an exceptional learning community empowering children 5th grade and younger to become life-long learners and responsible adults. Our mission is to develop each student to his or her full potential academically, spiritually, morally, and physically.

We seek an experienced energetic teacher for our elementary school for the 2012-2013 school year. A strong candidate will be familiar with effective learning strategies for teaching reading, writing, mathematics, science and social studies thematic units to a multi-age class. The candidate should be proficient in planning and implementing age appropriate instructional activities for a variety of learning styles and needs, and for developing academic educational plans for each student. The candidate will be expected to participate in the spiritual life of the school and model an ethical life of grace. They must work cooperatively with young children, other faculty, and parents. Effective communication and problem-solving skills are critical. Prior teaching experience is strongly preferred, and multi-age experience is preferred but not required.

A letter of interest and a resume or C.V. should be sent to amaye@ststeveschool.org.
Deadline: 2/28/2012
