

Holy Trinity Episcopal School in Houston, Texas is seeking a creative, organized, team player to serve as a STEM/Science Teacher for grades 3-5. This teacher is an important member of the faculty and an important member of the 3rd - 5th grade team. We are looking for a dynamic, forward-thinking, and student-centered professional educator who is motivated by problem solving and leading students at this stage of their development and understands the educational experience of 21st century learners.

This is a full time teaching position. There are a total of 14 teaching periods in a 5-day cycle. Specific classes include:

- 3rd grade STEM/Science (2 classes)
- 4th grade STEM/Science (3 classes)
- 5th grade STEM/Science (3 classes)
- 3rd grade Social Studies (2 classes)
- 4th grade Social Studies (2 classes)
- 5th grade Social Studies (2 classes)

Primary Functions:

- Plan, deliver, and evaluate lessons
- Assess student learning
- Provide feedback and instruction to students
- Serve as a student advisor
- Engage in curricular review and mapping
- Nurture a partnering relationship with students and their families

Required Skills:

- Effective written and oral communication skills
- Leadership
- Patience
- A collaborative and joyful spirit
- A working knowledge of technology resources in education
- A Bachelor's degree in education, or a related field
- Classroom experience

In addition to the above qualities, the following items are preferred and highly valued:

- Curriculum planning
- Advanced degree in education or a related field
- An understanding of and a passion for teaching children
- Ability and willingness to lead or assist with athletics and/or after school clubs
- An understanding of the implementation of design thinking in a classroom setting
- Awareness and/or experience with the "genius hour" concept

- Experience with inquiry and project based learning
- Experience with STEM based programs, specifically STEMscopes, and an interest in leading STEM based initiatives

Interested candidates should email their résumé, cover letter, and references as one PDF directly to [careers@hteshouston.org](mailto:careers@hteshouston.org). To learn more about Holy Trinity, visit [hteshouston.org](http://hteshouston.org).
