

**Position:**

Casady School is seeking a Lower Division Music Teacher for the 2024-25 school year. Candidates should have an abiding passion for creating a culture of belonging for every student in the classroom and in the larger school community.

The Ideal Candidate:

- Exhibits enthusiasm for teaching and learning
- Makes subject matter relevant and applicable to life beyond the classroom
- Empowers students to explore the world with audacious curiosity
- Has experience designing innovative curriculum and that aligns with K-12 music curriculum
- Scaffolds the learning experience to provide guidance and support for all students
- Finds joy in professional development and continued growth as a lead learner
- Believes in the importance of *We* and strives for valuable collaboration with colleagues
- Balances personal and professional commitments to model for students a life of balance, purpose, and joy

Responsibilities:

- Teach multiple sections of 1st-4th grade general music
- Prepare daily lesson plans that are developmentally appropriate for both age and skill level
- Provide structure through positive classroom management in order to foster confidence, creativity, and learning
- Participate in curriculum development, grade-level activities, and school-wide functions
- Produce high quality grade level music programs for 1st-4th grades
- Work with grade level teams to coordinate themes and curriculum connections for grade level programs
- Work with grade level teams to coordinate rehearsal schedules for programs and events
- Attend daily chapel service and, when needed, assist with chapel music
- Support and adhere to administration and school-wide policies

Requirements:

- Bachelor's Degree - Music Education, preferred
- Kodály Certification (Level 1-3), preferred
- Deep understanding of child development and best practices in education
- Ability to utilize technology to enhance student learning
- Positive, proactive, and clear communication style with colleagues, students, and parents
