

Division:

Upper Division

Job Title:

Mathematics Teacher

Description:

Casady School invites applications for the position of Upper Division (9-12) Mathematics teacher to begin in August 2022. This position is for in-person learning on campus. The typical course load is four sections, two preps. The successful candidate will be able to teach Geometry and Honors Geometry, Algebra 1, Algebra 2, Honors Algebra 2, Pre-Calculus 1 and 2, Honors Pre-Calculus 2, Calculus AB and BC, and Statistics, including AP Statistics. The ability and willingness to teach Linear Algebra and Multivariable Calculus would be a plus.

Teachers at Casady have extra duties, including but not limited to: monitoring one or two rows of students in daily Chapel, conversing with nine students at a family-style lunch table, and proctoring Study Halls. The successful candidate will also contribute to the life of Casady's Upper Division. The willingness and ability to coach at least one sport would be a plus. We seek a flexible, dynamic, and creative colleague to assist in meeting the curricular needs of present and future students. Candidates need to be committed to teaching in a vibrant and growing independent school community. Qualified candidates will possess a minimum of a Bachelor's degree in Mathematics.

Review of applications will begin immediately and continue until the position is filled. To apply please submit a cover letter, current CV, and teaching philosophy, along with any pertinent letters of recommendation, to Dr. Jon Powell, Upper Division Director.
