About St. John's

St. John's is an independent, coeducational Episcopal school serving up to 500 students in grades pre-k through eight. Located in a park-like setting on 10 acres in East Dallas, the School offers its employees and students a supportive esprit de corps fueled by a common mission – one dedicated to a program of academic excellence designed to train the mind, strengthen the character, and enrich the spirit of each student in a Christian environment. We think of St. John's not only as a School, but also as a very special kind of community. We seek to employ people who – regardless of the role they play in the School – understand that they impact the lives of our students, families, and colleagues. The St. John's Code calls us to model honesty and respectfulness in our relationships, responsibility in the performance of our assignments, and a caring attitude that extends to all members of our community.
