

## St. Marks -- Job Board Posting

St. Mark's Episcopal School, one of Houston's most intimate and community-engaged private schools, is seeking the school's next Middle School Head to assume this role in July 2022.

Founded in 1960, St. Mark's Episcopal School is a private co-educational school in Houston for students in Preschool 2s through 8th grade. The school is a community engaged and purposefully small, creating an environment where every child is known and celebrated. Throughout St. Mark's, the community encourages students, faculty, and staff to embrace constant curiosity and a passion for discovery.

The next Head of Middle School will sustain the momentum that has been building in the middle school and continue to refine a program that celebrates the uniqueness of each child. Exciting times lie ahead at St. Mark's. The next Middle School Division Head will join a leadership team that is well balanced between new and veteran administrators and will enjoy both the support from a committed Head of School and autonomy to own the management of a thriving division.
