

Middle School Math Teacher (Grades 6–8, including Algebra 1)

Trinity Episcopal School – Galveston, Texas

Position Start Date: 2025–2026 School Year

Trinity Episcopal School seeks a knowledgeable and engaging Middle School Math Teacher for the 2025–2026 academic year. This position includes teaching math across grades 6 through 8, including Algebra 1. The ideal candidate will be passionate about mathematics and skilled in supporting students' development of critical thinking, problem-solving, and quantitative reasoning.

Position Overview:

The successful candidate will have experience in curriculum planning, instructional delivery, and effective classroom management. This role involves collaborating with administrators and fellow teachers to ensure that all students make meaningful academic and personal progress in accordance with Trinity's mission and core values.

Primary Responsibilities:

- Develop and implement engaging, student-centered instructional plans and assessments aligned with math standards for grades 6–8, including Algebra 1.
- Provide differentiated instruction that meets the diverse needs of learners and supports mathematical fluency and conceptual understanding.
- Foster a classroom environment that promotes inquiry, collaboration, and intellectual curiosity.
- Model and promote age-appropriate, respectful behavior consistent with the school's mission and expectations.
- Communicate regularly and effectively with students, families, and colleagues.
- Offer timely, constructive feedback and maintain accurate academic and behavioral records.
- Collaborate with faculty to ensure continuity and alignment in the math curriculum.
- Participate in full faculty and middle school division meetings.
- Understand and respect the Episcopal identity and values of the school.

Qualifications:

- Bachelor's degree (required) or Master's degree (preferred) in Mathematics, Education, or a related field.
- Minimum of 3–5 years teaching experience, preferably in middle school math and Algebra 1.
- Strong content knowledge and instructional expertise in mathematics.
- Excellent written and verbal communication skills.
- Demonstrated understanding of adolescent development and research-based math instruction.
- A commitment to continuous professional growth and development.
- Prior experience in an independent school setting is preferred.

To Apply:

Trinity Episcopal School offers a competitive salary and benefits package, along with a collegial, supportive professional environment.
