

Ken Bastian Community Service Award 2021

About the Award

The Executive Board of the Southwestern Association of Episcopal Schools established an award in 1999 in honor of the late Dr. Kenneth H. Bastian, Jr., former Headmaster of All Saints Episcopal School of Lubbock, Texas, and member of the Executive Board of SAES for eight years. As Headmaster of All Saints, Ken was instrumental in establishing a community service and service learning program that brought national recognition to the school.

Honoring his spirit and interest in this rewarding area, this award is presented each year to a member school of the Association that has established an exemplary means of encouraging students to give of themselves in some form of community service or service learning. There may be as many as three award recipients, based upon the size of the school and scope of the community service programs.

How to Apply

Any SAES member school that has not been granted the Ken Bastian Award within the past four years may apply for the award by using the accompanying application form. All applications should be in **digital form** and are due to **the SAES office by October 1, 2021**. The office address is listed on the application. Applications will be reviewed by a Selection Committee and the selected school(s) will be recognized and honored at the 2021 SAES Conference.

It is the desire of the Association that this recognition be open to all schools regardless of grade levels, as long as the program(s) enable students, either as a whole student body or as groups, to provide meaningful service to the community. With endless varieties of creative community service programs available to the students of our schools, this award provides recognition to those outstanding schools and inspires others to follow their leadership.

Ken Bastian Community Service Award 2021
